Dear Ms. White:

Attached is the vegetation cover data for the Daniels Canyon Gravel Quarry, intended for incorporation into West Valley Sand and Gravel's Notice of Intent to Commence Large Mining Operations as Appendix E. It should be inserted behind the Appendix E cover page in the NOI package, which was sent to you on April 12, 2007. The existing page located behind the Appendix E cover page should be removed. Please call me at JBR (943-4144) if you have questions on this report or about the NOI package.

Sincerely,

Ms. Marit Sawyer
